Dear parent / carer,

## Walking Home Alone

Once our pupils reach year 6, as part of their transition for moving on to high school, we are happy to let them start walking home by themselves. This is dependent on a parent / carer providing consent to let them leave school each day at 3:25pm and find their own way home.

If a Year 6 child is in an after school club, we do not want them walking home alone and they will need collecting from the front of school as normal at 4:30pm.

Please complete the slip below and return to school for each child in Year 6.

Many thanks.

- ☐ I provide consent for my child to walk home alone after school and have discussed the importance of safety and communication with them. They know what to do in the event of an emergency or situation that makes them feel uncomfortable. I understand that they will need to be collected after any after school club.
- ☐ I do not want my child walking home after school and will arrange for them to be collected as usual.
