Family Day: Tuesday 8th October

Dear parent / carer,

For a number of years now we have had Male and Female Carer Days and Grandparent's Days. These are always such lovely occasions but we are looking to further improve and develop them to help get as many of our families into school for as rich and enjoyable an experience as possible.

This year we are going to replace each of them with a 'Family Day'. This will be an opportunity for a family member to come in and take part in a lesson with their child at a point in the day of their choosing. We are guaranteeing that there will be three days across the year (See our Key Dates) so the three days could be shared out in any way that you wish. A parent / carer can attend all three days, or they might want to offer it to other family members such as grandparents or great grandparents.

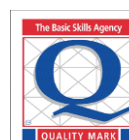

Every child can have a family member attend for ONE session. On the next sheet are the sessions that each class are offering.

For safeguarding reasons, we cannot accommodate family members moving from class to class.

Please note that we cannot guarantee any sessions. There is a maximum number we can allow per session so please be patient with us as we try to accommodate everyone as best we can.

Kind regards,

Mr W Myers
