## Lego League

Dear Parent/Carers,

Richardson Dees Primary School has earned a place in the First Lego League North Tyneside competition.

The First Lego League guides pupils through STEM (Science, Technology, Engineering and Mathematics) learning and exploration, offering them the opportunity to build and program robots, culminating in sharing their hard work and creations at a national competition.

Your child is being offered a place. The club will run after school on a Monday from 3:30-4:30 pm. The club will begin after half term, on Monday 4<sup>th</sup> November 2024. The club will run until the competition which usually takes place in March (details to follow). If your child would like to attend the club and competition, please complete and return the form below.

We look forward to participating in this exciting journey and can't wait to see our wonderful superpowers and pupils in action.

Many thanks,

Mrs Turner, Year 5 Teacher

I give permission for my child \_\_\_\_\_ to attend the Lego League Club and competition.
