

North Tyneside Councils Go Smarter team have visited your child's School today. We would like to ask for your help in keeping children safer near the roads. Talk to your children about the following to help them understand the dangers around the roads.

- On the pavement When walking near a road hold your child's hand - don't let them run ahead.
- Set a good example by using the **Green Cross Code** explain to your child to - **STOP** at the kerb, then **LOOK** both ways and **LISTEN** for traffic before crossing, when it's safe to cross, walk straight across the road and keep looking and listening. **THINK** have you chosen the safest place to cross, look for Pedestrian Crossing, Zebra Crossings and School Crossing Patrols etc.
- **Be Bright, Be Seen** It is important that other road users can see you and your children easily. Explain to your child how wearing brighter materials helps drivers to see you from further away.

Smiles and Thrills,
Fun Moments

**We pledge to
walk or wheel
to school.**

**What's your climate
action pledge?**
