

Medium Term Planning

Year Reception

Summer 1 2025

Topics and Themes	Celebrating Cultures & Festivals Around the World
Lifecycles	Earth Day - April 22
People Who Help us / Occupations	St George's Day - April 23
Green Fingers	May Day - May 1
	<u>Vesak Festival</u> - May 12
	Sun Awareness Week - May 12-18
	·

Prime Areas of Learning

Communication and Language

As listeners and speakers this half term we will be:

Using our communication superpower to sequence pictures to help us to retell entire familiar stories to our adults and our friends in our play.

Using our curiosity superpower to ask and answer open ended or speculative questions in our whole and small group activities.
Using our collaboration superpower to teach new skills to others using our words and new vocabulary and by showing others how we would do it.

Remembering and defining special words we have learned over the new term and use them in our work and play.

Physical Development

As we develop our gross and fine motor skills this half term we will be:

Using woodwork tools safely under supervision to make flower boxes for planting our spring bulbs and bird boxes for our foundation garden.

Using gardening tools safely as we plant our new spring bulbs and flowers

Using our gross motor skills to walk to the woods and back to school

Safely and under supervision, use a wider range of food preparation tools including chopping boards, knives, graters, fruit squeezers.

Using our fine motor skills to make female carer cards and Easter cards and arts and crafts

Using our curiosity superpower to learn and paint in the form of Claude Monet

Controlling small games equipment when transporting, collecting and throwing.

Using our courage superpower to challenge ourselves as we travel across more complex obstacle courses including changes of height and using more complex PE equipment

Personal Social & Emotional Development

As individuals we will:

Taking part in more complicated games in bigger groups extending our concentration and turn taking with our friends Learning to read our friends, teachers and other people's facial expressions and body language and learn to use new vocabulary around our emotions

Learning to talk positively about how we have succeeded or failed in our classroom learning challenges and, in our lives, outside of school

Learning to build positive strategies to make new friends in our school and home life

Specific Areas of Learning	
Mathematics	Literacy
As mathematicians we will be:	As readers we will be:
Learning to count to 50 together	Continuing to follow our Power Phonics Phonic Scheme to support our classroom
Understanding the structure of 9 and 10 by	literacy
partitioning and recombining numbers Using 10 frames to support our understanding Recalling and applying double 1 to double 5 Recalling subtraction facts within 5 Recalling even and odd numbers Counting to 100 using 10's Sorting 3D junk and make 3D models out of our junk Talking about the pattern of the week using	Reading some simple phonically regular captions and sentences Predicting how a story plot may develop and change. Create an understanding with the characters in our stories and make links between different stories Using information and non -fiction books to help us learn about our topics Writing short compositions with a sentence and use capital letters and full stops Continuing to share our favourite stories from home and school Learning all about the author Tony Maddox and exploring farm stories Learning to sequence our Talk for Writing stories, retell and change and add
Talking about the pattern of the week using	new plots to them
names of days, weekend, today, tomorrow and yesterday	Talk for Writing stories this half term:: Mr Gumpy's Outing
	Little Red Riding Hood
	As writers we will be:
	Beginning to break speech into words when we write
	Writing labels, lists, captions and beginning to write simple sentences
	independently Writing our simple sentences with regular words, including those with digraphs
	writing our simple sentences with regular words, including those with digraphs
Understanding the World	Expressive Arts and Design
As world understander's we will be:	As artists we will be:
Interpreting Google Earth Street view of the	Making detailed and accurate observational drawings out of natural found objects and
