School Premises Update

We are undergoing a few changes in and around our school building and I thought it would be worthwhile to let you know what they are.

1. New Fencing

We have been lucky enough to secure some DfE funding for new fencing on the side of our school looking onto Westmorland Street. This will not affect access arrangements but you will see the fences coming up across the week. Once up, it will create a new playground space for our Year 1 children.

2. CCTV Upgraded

We have a new CCTV system in school. As well as monitoring the perimeter and school grounds, we now have some cameras inside the building, most notably in the Main Office Entrance. This has also been purchased with DfE funding.

3. Nursery Refurbishment

The Nursery extension will be refurbished over the summer to include a new roof to help make it an even nicer space. This is being funded by a grant we successfully applied for through North Tyneside Council.

4. Roof and Windows

The second of three phases of our roof and window replacement will begin just ahead of the summer holidays. There may be some minor changes to our access and exit points for a short period of time whilst the scaffolding is being erected but we will communicate fully nearer the time and school opening will not be affected. These phases of crucial redevelopment are being funded by NT Council also.

Kind regards,

Mr W Myers
Headteacher
