## Year 4: Welcome Back!

Dear Year 4,

We are so happy to have you back in school. We hope that you have enjoyed the break over the summer and that you are ready and excited to get back into school life.

This year is going to be really, *really* great!

**Miss Tuck and Mrs Bonham** have a whole host of fun and interesting activities planned for you across the year. In Year 4 we:

- We will take part in lots of exciting science experiments, including building working models of the human digestive system.
- Design and create clay sculptures.
- Learn all about the Anglo-Saxons and Vikings, including a trip to Holy Island.
- Have a month's worth of swimming lessons.
- Develop our programming skills using *Scratch*.
- Design and build torches and pavilions in Design and Technology.
- Visit Plessey Woods for some outdoor adventure.

**We also have PE every Tuesday and Wednesday - please come to school in your trainers and tracksuit bottoms or leggings on those days.**

There is a whole lot more to look forward to and we can't wait to get started.

Here's to a super year in school,

The Year 4 Team

#RDPS Family
