

How we embed British Values into our Early Years Expressive Arts and Design Curriculum

Democracy

Children are encouraged to share their ideas and collaborate during creative activities. They learn to take turns, contribute to group projects, and value the creative input of others.

Individual Liberty

Children are given the freedom to explore and express their own ideas through art, music, dance, and role-play. This supports individuality, imagination, and confidence in self-expression.

Mutual Respect & Tolerance

Children learn to appreciate and respect the creative work of others. They are exposed to a variety of cultural expressions through music, art, and performance, helping them value diversity.

Rule of Law

Children learn to use tools, materials, and spaces safely and appropriately. They understand the importance of following rules to ensure a safe and supportive creative environment.
