20th May 2026

Dear Parents/Carers,

Year 6 STEM Event- The Parks North Shields
Wednesday 3rd June 2026
11:15am - 12:45pm

On Wednesday 3rd June 2026, Year 6 pupils will be attending a STEM (Science Technology Engineering Maths) event at The Parks in North Shields. This is an opportunity for the children to learn about careers in the various industries as well as getting hands on with some practical tasks.

We will be travelling by metro then walking to and from The Parks. Therefore, the children should wear their school uniforms and appropriate footwear and coats.

Packed lunches

We will be returning to school after lunch and it is planned for the children to eat a packed lunch at school on their return, therefore all children will need a packed lunch and drink. Earlier in the year, for a previous trip out of school, we collected pack lunch information and there are 5 children who will be provided with a pack lunch from school and all others opted for providing a pack lunch from home. If you are unsure if your child is one of the 5, please call Dawn in the office.

Kind regards.

Mr Heeney
