SCHOOL MEALS

The process for ordering school meals is :

Ensure Office Team has up to date information of your child's name, Date of Birth, Class and parent/carers name for the account, e-mail and telephone number
Once your child is registered with our school, you will be e-mailed an invite to the "School Grid App" - follow instructions to download and open it
Office Team can e-mail you a new invite upon request
Once you have downloaded your School Grid app, you will be asked to enter Bank card details
Please ensure any allergies your child/ren have are noted on the App so that the menu offered to you can be amended accordingly
Parents/carers of Reception – Year 2 pupils will receive free Universal meals
Parents/carers of Yr 3 – Yr 6 pupils will have to pay for school meals, unless they are eligible for free school meals
It is Parents/carer's responsibility to order meals; this can be done daily, weekly or termly - if ordering is done daily, the computer system closes at 8.30am so please book before this time
Meals currently cost £3.35 per day

ARBOR PARENT COMMUNICATION APP

This school uses the above App to send communications to parents/carers

Ensure Office Team has up to date information of your child's name, Date of Birth, Class and parent/carers names, e-mails and telephone numbers for any family member who wishes to receive in-app messages
Advise Office Team if you have problems accessing the App at any time

To get onto Arbor Parent Communication App :-

1. Open your app store
2. Find Arbor Parent Communication app (the logo looks like a four petalled flower with a blue background)
3. Download it
4. On the sign in page, type in the e-mail address you have provided the school with
5. Press "forgot password"
6. Wait for code via e-mail
7. Put in code and then make a password for yourself
